WELCOME

NOV/DEC 2020

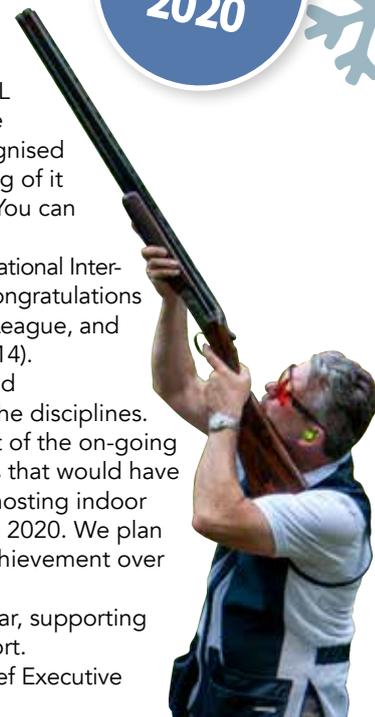

Despite 2020 being a difficult year, we are pleased to bring you some great news for our sport and to congratulate DTL legend Paul Chaplow for being awarded the British Empire Medal in The Queen's Birthday Honours List 2020! Paul was recognised for 'services to Clay Pigeon Shooting', and is thoroughly deserving of it with the dedication he has shown to our sport for over 30 years. You can read more about that on page 7.

The year is winding down, but we are still enjoying the last of the National Inter-Counties Championships. See pages 12, 18, and 21 for reports. Congratulations to Chris Childerhouse for winning High Gun of the CPSA Premier League, and Owls Lodge Shooting School for winning the team title (see page 14).

We are looking forward to a full calendar in 2021 with two World Championships, and our usual English and British Opens across the disciplines. We are confident that we can facilitate these events safely in light of the on-going pandemic. Unfortunately, we have had to delay the CPSA Awards that would have been in February. This accounts both for the uncertainty around hosting indoor events, as well as the incompleteness of the clay-shooting year in 2020. We plan to instead host the awards in October 2021 and will recognise achievement over 2020 and 2021.

Finally, I'd like to thank all of you for sticking with us this year, supporting the CPSA, and allowing us to continue to be the future of our sport.

**IAIN PARKER // Chief Executive**

## EAST MIDLANDS AMBULANCE SERVICE STAFF SHOOTING FOR SUCCESS

Staff from South Lincolnshire and surrounding areas recently took to the Priory Clay Target Centre, Sutton Bridge. The day was organised as a taster day to experience

clay shooting, and receive some great instruction at the same time.

Under the watchful eye of GB Olympian Aaron Heading and CPSA Instructor Chris Bone, it is hoped that

in time, those who took part may go on to compete for the Ambulance Service at the Inter Services Clay Shooting Championship, between the Armed Services and Emergency Services.

Everyone had success throughout the day and were moved around the various layouts to tackle more difficult targets.

Team results were winners Beth Humphries, Ben Humphries, James Booth, Russ Benson and Paul Wand.

Angela Bone, Andy Lister, Liam Harris and Helen Pearl were part of the losing team, although a rematch seems on the cards.

Special Thanks to Aaron, Natasha, John Heading and Chris Bone for the BBQ and instruction throughout the day, it was certainly great fun, and a great way to unwind. It has certainly sown the seed for

some to go again, and eventually represent the Ambulance Service.

We wish Aaron every success for the remainder of the year, and even more success next year at the rescheduled Olympic Games in Tokyo 2021.

## SPORTING TARGETS HIGH TOWER CHALLENGE 2020

This year's challenge had to be moved a month later to start in July, and run to the end of August. The challenge incorporated some testing targets and the odd unusual target from one of the three towers that Sporting Targets has to offer.

It started in the bunker with a report pair off the 60ft to warm you up, and finished on two long tower crossers.

Early on Jezz Towell posted a very impressive 46 which was thought to be the score to beat, but he saw more out there and soon followed it up with a 48 – very exceptional shooting to say the least. Many top guns tried to equal or better his fantastic score but failed to do so, and he has been crowned High Tower Challenge Champion 2020.

The challenge started 27 years ago in 1993, Jezz first winning in 1997, making it his 15th entry onto the honour board. Well done Jezz, good to see you back on the board.

## CPSA COMMITTEE VOLUNTEER VACANCY BERKSHIRE

An exciting opportunity is now available for Berkshire CPSA members who would like to give something back to their sport: the Berkshire CPSA Committee is currently vacant and we are looking for volunteers to help revive it. CPSA National Director Nicola Heron is available to help guide a new committee, to include advising on running championships and finances, and will ensure the handover of the county's complete set of trophies and other silverware to the new committee. If you are a Berkshire CPSA member who is interested in helping out, please contact Nicola at [nicola@cpsa.co.uk](mailto:nicola@cpsa.co.uk) or call the CPSA office to speak to one of our staff.

## WEST LONDON SHOOTING SCHOOLS LADIES COURSE COMPETITION

On 9 September, the annual Ladies Day Competition took place with 11 contestants. The Ladies Course Competition is the perfect way for ladies with busy lifestyles to get into shooting, open both to novices and experienced shots. The course consisted of three one-hour lessons to include shotgun hire, 50 cartridges and clays. The day is always a big highlight in the WLSS calendar, even more so this year as it was their first competition of the year. The competition was strong, there was some

great shooting and a morning of fun and plenty of humour.

The competition was won by Jenna Peaty who scored 44 points. Jenna was closely followed by Runners-up Elkie Holland and Adele Standard. Congratulations to all who got involved.

## THE FUTURE OF MEMBERSHIP CARDS

The CPSA Board of Directors has decided to reduce costs and plastic waste by discontinuing the yearly re-issue of membership cards. The card that you receive in 2020 will be the last one that you will be issued (or in 2021, for those who bought two-year memberships in 2019), and has no expiry date on it. So long as your membership is valid, so then is the card. New members will receive a card

on joining, but this will not be reissued. All grounds hosting CPSA Registered shoots have the ability to check the status of your membership by using our scorekeeping software (Shoot). Membership insurance certificates as well as a digital version of the card (with expiry date on it) can be downloaded at [cpsa.co.uk/members](https://cpsa.co.uk/members).

Additional proof of membership can be downloaded at [cpsa.co.uk/members](https://cpsa.co.uk/members).

## CHANNEL ISLANDS CLAY SHOOTING SPORTING CHAMPION 2020

The championship was held at Lecq Clay Target Club on 28 September 2020. Jon De La Haye was crowned Channel Islands Sporting Champion for the second year running, with an impressive 95 x 110. Shooting in high winds, Jon mastered the tough course and conditions to emerge nine targets clear of second place Mark Andrews. For those who are wondering, this championship is traditionally shot in the slightly unorthodox 110 targets, after a year when a course setter accidentally set an extra ten targets on a 100 target course.

## NEW CLUBHOUSE FOR ERISWELL LODGE

Back in September, Eriswell Lodge opened their new clubhouse, which now offers a large café, restaurant, and bar, retail area with gunroom, and various size meeting and conference rooms. When added to the already established shooting ground, it has clearly made every effort to cater for every shooter's need! Stuart Smith, Managing Director, said; "It took us a lot longer than expected to complete it, but we think it was worth the wait, and we are so proud to finally be able to show it off!" Open seven days a week, with the on-site café and shop open. For more information visit [eriswell-lodge.com](https://eriswell-lodge.com).

## COACHING HEROES OF THE CORONAVIRUS LOCKDOWN

As part of UK Coaching Week 2020, UK Coaching has announced a new public-driven awards initiative to recognise those coaches who delivered sport and physical activity during the UK's coronavirus lockdown.

Through UK Coaching Heroes, the great British public will be able to nominate coaches who implemented great coaching ideas and made a considerable difference to others despite the adversity we faced because of the pandemic.

One such coach, dubbed the nation's PE teacher, Joe Wicks, delivered 18 weeks of his fitness show 'PE with Joe', helping millions of parents and children stay active whilst schools were closed and raising hundreds of thousands of pounds for the NHS.

Nominations are open until 11 October. Then from 26 October – 8 November, the public will be able to vote for their favourite coaches from the shortlist of finalists.

For more information please visit [ukcoaching.awardsplatform.com](https://ukcoaching.awardsplatform.com).

# PAUL CHAPLOW AWARDED A BRITISH EMPIRE MEDAL

**D**TL shooting legend Paul Chaplow has been awarded the British Empire Medal for 'services to Clay Pigeon Shooting' in The Queen's Birthday Honours List this year, a culmination of his decades of dedication to our sport. Due to Covid-19 restrictions, the award will be presented to Paul at a later date by the Lord Lieutenant of North Yorkshire. Paul and his wife, Pat, will also be invited to one of The Queen's Garden Parties next year when circumstances permit.

Paul is well known to all DTL shooters, and is a multi-time England, Britain, and European champion. He's been an England Team member since 2003 and shot at dozens of Home International, European, and World Championships, and has captained the team five times.

The British Empire Medal is awarded 'for meritorious service' and was

instituted by King George V in 1917, with its current creation dating to 1922. Recipients are entitled to use the post-nominal letters BEM.

The normal practice of notifying BEM recipients by post has been suspended due to the Covid-19 pandemic, so Paul was instead notified by email. He initially thought it was a hoax and ignored it, but as he tells us 'because you have to accept by a certain date, I got a phone call from the House of Commons asking if I was declining, so I was overwhelmed to be honest!'

Paul started shooting in the late 1980s, when he also joined the CPSA. Paul is well known for putting in 100/300s, and in 2015 members named him the CPSA's Clay Shooter of the Year. He was honoured by members again in 2018 when he was awarded the CPSA's Special Contribution Award for 'outstanding individual contribution to the sport'.

"I was overwhelmed to be honest!"

## OBITUARIES SAYING GOODBYE TO HAMID HAJILOU

Popular English Sporting shooter Hamid Hajilou passed away recently after a battle with cancer. Hamid was a AA English Sporting shot from Kent who was well-known for sharing his extensive knowledge and encouraging others in the sport.

Hamid was also a key figure on many online clay-shooting forums, where he used his decades of experience to guide and inform others.

Kelly Hockey, on behalf of the Kent CPSA, stated that Hamid was 'a familiar face on the circuits in and around Kent... We send our sincere condolences to Hamid's family at this time.'

Hamid's friend, Will Hewland, stated that 'Hamid was a diminutive man with a big heart. Being Canterbury based he didn't get to as many grounds as he would have liked, so not meeting even more shooters face to face is our poor luck. He is missed greatly by those that knew him online and even more so by those of us privileged to have experienced his warm smile, kindness, and prowess in person.'

Hamid is survived by his wife, Peyma, and his son, Ashcaan.

## ROD GOULD'S BRITISH SHOOTING GRAND FESTIVAL RECORD

Rod Gould got a new British finals record at the British Shooting Grand Festival 2020 at East Yorkshire Clay Shooting Ground winning gold with an amazing score of (119/125+ 23+24).

# SHOTS IN THE MAIL

## LETTER OF THE MONTH

**H**i there, I'm struggling to find any (good) articles online on the topic of a new shotgun, specifically, getting used to it for clay shooting and how at first, a new gun, even if it fits, might impact ones scores negatively.

I've just switched to a new MK38 sporter from a B725 hunter, and my scores, as I would expect, have decreased a little. I've set myself a target of Christmas (I compete weekly) to see an improvement in my averages, before I start considering alternatives.

I'm sure such article exists, especially in Pull!, but I'm struggling to find anything online - perhaps I'm doing the wrong 'Google' search. If such article does not exist, I might be a good candidate to test the theory, if it does, please do share with me. – **James Houlder**

### CPSA replies:

Hello James, I'm not surprised that you have been unable to find any articles about changing from one gun to another. Without seeing you mounting both (independently), it would be difficult to suggest what could be wrong. One thing for sure is that the point of impact is different otherwise you wouldn't notice any difference in your ability to hit a target.

It could be something as simple as the new gun having a thicker comb which will place your eye in a different position on the rib. To check the placement of your eye stand about 3-4 metres away from a mirror, adopt your normal stance and mount the gun to your shoulder socket and cheek and check where your eye is in relation to the rib. If the shooting eye is sitting centrally on the rib with the coloured part of the eye (Iris) visible, the gun will throw a pattern 2/3rds high and 1/3rd low of the point of aim.

To confirm this you may then try it on a pattern plate at 16 yards then any diffraction of the pattern from the point of aim of 1 inch will require an adjustment of the stock (comb height/cast) of 1/16th of an inch dependant on where the alteration is required. Use a gunsmith – don't attempt to do it yourself!

Shooting any new gun will take some time to get used to where it's shooting but persevere, I'm sure you will enjoy it!"

As previously notified in *Pull!* and on the CPSA website, existing, current Safety Officers are required to renew their Safety Officer status if it was achieved over five years ago. Thank you to the hundreds who have already requalified. If you originally qualified in 2015 or before and have not received an email or letter by now, please contact Richard or Cheryl at CPSA HQ to ensure you are added to the requalification process.

### Safety Officer Course

£105

This one-day course provides the basis for running a safe and successful shooting ground. It looks at safe gun handling, layout management, risk assessments and so on. It's an obvious choice for ground-owners and a prerequisite to Club Affiliation. It also appeals to the shooter and is the first step to our higher L1 Instructor & L2 Coaching qualifications.

Available in each of the four domestic disciplines of English Sporting, English Skeet, Down the Line and Automatic Ball Trap, these one-day courses will equip you with the general and discipline specific rules to enable you to referee regularly at registered competitions or national championships and, with it, the assurance that what you are calling is correct. This is also an excellent course for the competitor, who doesn't necessarily want to referee, but does want to ensure that they know the rules when they compete.

This four-day course teaches you how to check eye dominance and gun fit. It shows you how to teach the CPSA Method, how to recognise shooting errors and how to correct them. It consists of classroom time, off-and on-range workshops and a final day of assessments. It covers crossing, rising, and dropping targets and equips instructors with the knowledge to tackle a huge variety of targets. For this course, the criteria for qualification is that the candidate can get a novice to hit a moving target safely using the CPSA Method. Candidates must have attended an IDW within the previous two years.

# NATIONAL INTER-COUNTIES ALL ROUND

Report back from The National Inter-Counties All Round, which was hosted by Northampton Shooting Ground on 20 September.

**H**eld in the near-perfect late summer weather, CPSA Chairman John Martin noted that “The weather was warm, sunny – though a little windy for the trap disciplines – but the atmosphere was brilliant.”

Attendance at the event this year was over double compared to last year. Perhaps this was because more shooters are diversifying across disciplines, and All Round shoots are a great way to see where you stand as a general clay shooter.

The shooters were required to put in scores across 25 targets of English Sporting, 25 DTL, 25 ABT, and 25 English Skeet. A 25 target Sportrap pool shoot was

also held, giving shooters a chance to try a fifth discipline for the day.

Senior teams consisted of six shooters (top five scores to count), whilst Ladies, Juniors, and Vets teams consisted of three (top two scores to count).

John Barnett took High Gun with 95ex100, followed by Anthony Dean and Joakim Smith joint second, only one shot away with 94. Kirstin Vogel, who

shoots for GB and the Welsh Olympic Skeet team, took the Ladies High Gun for the day. She shot 81 to tie with Hayley Denoon, winning the shoot-off with 23. Scores were exceptional across all the categories, with Fred Whitehurst taking Juniors on 92, Anthony Dean Veterans

with 94, and Ethan Lord scored 79 to win Colts.

Of course, it is the team events that make National Inter-Counties Championships what they are, and this year it was a well-contested field with no single county taking the bulk of the honours. Nine counties put in teams, up from six last year to add to the competitive environment.

Cheshire took the team honours for the Seniors, with a team consisting of Miles Machin, Tony Dean, John Barnet, Guy Robinson, Kevin O’Reilly, and Fred Whitehurst. Nottinghamshire took the Ladies category with a team of Hayley Denoon, Catherine Smalley, and Alix Jade (Gregory).

Timothy Jones, Gary Thatcher, and Richard Croft took the Veteran Team title for Cambridgeshire.

Alfie Tibbles and Charlie Monahan put in a combined 171 to win Juniors for Hertfordshire, not even needing a third teammate’s scores to fall back on.

John Martin stated after the event: “with the first squads going out at 9.00am and the last at 4.30pm, congratulations and thanks go to Marty, Pete, and Roy, for ensuring the long day ran without a single hitch. It was good to see so many shooters taking part, with over double the entries compared with the last few years. National

Inter-County competitions have sort of slid away over the last six or seven years, so let’s hope the publicising campaign from CPSA HQ, the grounds, and the counties will continue in future years.

Congratulations to all the winners, both county teams and individual entries, and my particular thanks to Luke Passmore who refereed his first ever shoot-off at the end of the day, overcoming his nervousness to do it faultlessly and professionally.”

Scores were exceptional across all the categories

# PREMIER LEAGUE 2020 FINAL

**Richard Worthington** reports back from the final shoot of the 2020 Premier League, held at West London Shooting School.

**W**est London Shooting School hosted the final shoot in the series on 26 September, with over 200 competitors taking the opportunity to shoot at this lovely ground. Despite the strong winds, there was a very good variety of targets set over 14 stands, so many thanks to the team at West London for hosting us.

We'd like to thank all of the grounds for taking part in what's been an unprecedented year, and under the circumstances we are delighted to have completed the series.

Also special thanks again to our sponsors, Browning, Eley, Promatic, and Evolution Eyewear for their support and generous prizes.

So after a hard fought contest, 2019 Runner-up, Chris Childerhouse emerged as the 2020 Overall Premier League High

Gun. Huge congratulations to Chris. He took home a fantastic Browning 725 Black Edition Sporter, 1,000 Eley cartridges, a set of Evolution Edge Shooting Glasses, and £1,000.

The top of the table was fiercely contested with only a few points between the front runners with Martin Myers, Colin Ferguson, and Dan King only three, four, and five points respectively adrift of Chris. Commiserations to Colt Shooter Dan King who shot superbly and only missed out on the Overall third spot by one point, but did secure first in A Class and first in

Colts. Very well done to him. Team Owls Lodge and Team Sporting Targets had already been

crowned Division Winners following the division series, each winning £500 and taking the maximum of ten bonus points into the final. After completing the final, Team Owls Lodge are the 2020 Premier League Champions, taking home our lovely trophy, winners plaque, and a pallet of clays courtesy of Promatic!

The top of the table was fiercely contested with only a few points between the front runners

**Below:** Richard Faulds from Owl Lodge and Trophy for winning Team.

THANK YOU TO OUR  
PROUD SPONSORS

Please see below for the top-three positions Overall, in Class, and in Category. Please note that the Premier League rules follow our Championship rules regarding classes spanning more than one classification period, so the final positions in the Premier League are based upon the shooters highest class during the series.

We also saw some great shooting on the day at West London with Mickey Rouse putting in a monster 96ex100 to take the High Gun prize of £250, one ahead of Chris Childerhouse. Chris had been scored 96 but very sportingly confirmed that he had dropped five targets not four, to take first in AA Class instead.

So that's it for another year, thanks to all who took part and all being well, we look forward to the Premier League returning in 2021. 🏆

# ENGLISH OPEN OLYMPIC TRAP

We report back from the the event on 26-27 September held at National Clay Shooting Centre, Bisley.

Shooters competed across both days, putting in 100 targets each day, in what turned out to be challenging weather with cold winds, chilling the shooters and playing with the clay's trajectories.

After two days of shooting, clear winners had emerged. Lee Betts took High Gun with 185/200, whilst his son, Tom, took Colts High Gun and fourth overall.

Lee stated after the event, "It was our first time shooting at NCSC and brilliant to win the title. There are some

great names on the trophy and its an honour to be listed alongside them." Tom added, "I really enjoyed the shoot and am very pleased to come fourth overall in the whole competition and win the Colts title. I'm very proud of my Dad, in a very strange year this was a magic moment."

There are some great names on the trophy and its an honour to be listed alongside them.

Current Olympic Trap World Champion Matt Coward-Holley, who last year secured a Tokyo Olympics quota place for Team GB by taking silver at the ISSF World Cup at Changwon, was only one target away from High Gun to take Runner-up. Rod

Gould, who has represented England in Olympic Trap every year since 2002, and has been raking in the medals in Olympic Trap and Universal Trench this year, claimed Third Place.

Ladies High Gun was won by 2018 Commonwealth Games shooter Ellie Seward, who stated afterwards "I was super happy to win the Ladies English Open Olympic Trap title this year, especially with how strange the year has been! It was a tough competition with the wind making the targets very challenging and us shooters

very cold, but my trusty Beretta and Fiochhi cartridges helped me get the win!"

Former England Team member Howard Beaumont took Veterans, 2019 England new cap Maddie Purser took Lady Juniors, whilst Ben Killian took Juniors.

# NATIONAL INTER-COUNTIES

## DOWN THE LINE

The National Inter-Counties DTL was hosted on 27 September at North of England Clay Target and Activity Centre.

The event was hosted on a lovely autumnal day with ideal weather conditions – slightly overcast with cool but comfortable temperatures. There were 102 competitors, with 11 shooters putting in 100-straight: Keith Bond, Paul Chaplow BEM, Nigel Chapman, Emma Holden, and Bob Singleton, with associated scores running from 293 to 297. The first 25 target shoot-off saw Chapman and Chaplow each drop two targets. Bond missed two in the second round, with Singleton and Holden again hitting 25. They then went into a sudden-death shoot-off, where Holden dropped the eighth target, confirming Singleton as High Gun. Securing Overall Runner-Up, Holden's score was enough to win the Ladies High Gun title.

There were only three Colts in attendance, who all shot exceptionally. William Taylor and Paul Atkinson shot 96/278, with Toby Hurstfield on 95/274. After a shoot-off, Taylor emerged the Colts champion.

In the team events, the Seniors teams consisted of six shooters (top five scores to count), whilst Ladies, Juniors, and Veterans teams consisted of three (top two scores to count). Bond, Singleton, and Holden's scores led the Lancashire Seniors team to victory with a combined score of 1480, along with their teammates who also put in incredible scores: Paul Turner 99/295, Stephen Fiddler 100/294, and Mike Turner 98/292. Except for Seniors, Yorkshire swept the rest of the team categories for the day. Charlotte Kitchen, Leanne Powell, and Debbie Bellamy took Ladies with a 572. Team GB

Olympic Trap shooter Lucy Hall, and teammates Archie Pope and Chris Taplin took the Juniors team event, while Adrian Wragg, Maurice Beedan, and Martin Clark won Veterans.

CPSA Independent Director Dave Rollason was at the event and stated that it was "A thoroughly enjoyable day, some great shooting on display and many congratulations to the winners. Special thanks to Phil and Judith Thompson plus the staff at North of England Shooting Ground for hosting and running what proved to be a smoothly run event."

# RICHARD FAULKS

# TOP

## - TEN -

Richard Faulks speaks to members of the shooting community to devise a list of the public's top-ten shotguns.

Which is the best clay gun of all time? It's one of those eternal questions, and there are some strongly held views at clay grounds up and down the country. I'm not going to offer my personal opinion, as I'm sure many of you would disagree with my favourite anyway. But the gun trade has been very helpful in compiling a list of ten guns that all deserve a mention.

There is a gun for every taste and budget here, but in the end, it comes down to personal preference. Does the gun feel right when you pick it up? Does it inspire confidence? Fit, balance, and many other adjustments can be made to a gun, but you'll instinctively know when you've found the gun for you. If it feels right then it most probably is.

### THE VIEW FROM THE SHOP FLOOR

Dionne Rogers from Chris Potter Country Sports, firmly trumpeted the merits of the Beretta

682 in all of its variations. "It's my top pick. It's what I started with and had most of my success with, and have recently gone back to. The quality, reliability, and handling of this gun has

never been seen since. George Digweed and Barry Simpson also shot it with great success."

Dionne continued: "The Miroku MK38 is timeless, affordable, and bombproof. Some top shots like Mickey Rouse and Carl Bloxham have had great success with this gun." Indeed it would be hard to visit any clay ground and not see somebody using one of these guns, such is their deserved popularity.

Kevin Philips from Sportarm wishes he'd never sold his Beretta 682 Super Sport Black action, which fitted him so well. There are two other guns which he feels deserve to be on the list and the beautiful sidelock Beretta SO5 is Kevin's chosen clay gun. Certainly not a cheap option with prices between £20,000 and £30,000, but what a gun! "Being a true sidelock, the trigger pulls just outstrip any other mechanism." He also loves its great stock profile, lovely palm swells, and perfect pistol rake. And the Browning B25 also gets a mention:

“You'll instinctively know when you've found the gun for you”

6

"A very good action, not very technical, but very reliable." The action was designed in the 1920s, so a classic case for evolution not revolution.

### TOUGH COMPETITION

Dan Kingdon from Sportsman Gun Centre heralds the Miroku MK38 Trap: "Possibly the best value clay gun of the past 15 years, the MK38 has a huge following, both new and old, amateur and professional. They are beautifully balanced, pattern well, handle well, and are proportioned to fit most people.

Ask any serious competitor and they will tell you this is a gun you should consider."

4

2

1

8

"My choices would be the Perazzi MX2000S with 30 3/4in barrels fixed choke 1/2 and 1/2" says Simon Hadfield of Hadfield Guns. "I think it is one of the most balanced and easy to shoot guns I have ever had. Also, of course, they are proven to have shot outstanding scores throughout the world." The Krieghoff K80 Supersport with 32" titanium choked barrels also deserves a place on the list according to Simon. "This is a solid and easy to move clay gun, with very little recoil and a great modern look. They also hold their money well on the second-hand market, and are the choice of many top class shooters."

**A YOUNG PRETENDER**

William Mole from Bywell Shooting Ground has three guns and brands that he feels deserve to be on the list.

Relatively new to the British market, Caesar Guerini have become a very popular choice for clay shooters. Their ten-year warranty is a big selling point and speaks volumes about the build quality and reliability, especially in this price range. And when

10

pushed, William says the wider-actioned Invictus, with the slightly raised Ascent rib is a great all-round gun. It's supplied with eight chokes, is great value, and versatile for many clay disciplines.

The Blaser F3 is a step up in cost from the Guerini, and William's pick of this brand is a great all-rounder, the Super Sport. The ejectors aren't cocked until the gun has fired to make closing the gun effortless, and it has in-line hammers which make a double discharge all but impossible. Great engineering innovation on what is a sleek, uncluttered, stylish gun. Finally, and the ultimate choice for William, is the Perazzi MX8. It's a classic that has a proven record on the clay circuit, as Dionne Rogers said: "The amount of medals won with this gun will never be surpassed..."

**AN OLD FAVOURITE**

Alex Porter from Ian Coley selected two Berettas, as did Dan Kingdom from Sportsman Gun Centre. They both praise the Beretta 680 series, which includes the 682 which has already been mentioned – most of the people I spoke to had these guns on their list. They both also chose (I'm going to include these as one gun) the Beretta ASE 90, which then changed into the DT10/11. Dan said: "The DT10 is possibly my favourite of the guns for its removable trigger, cross bolt locking mechanism, great balance, and affordable second-hand values. Also, there is a confidence in the way it locks up, and the fact it has been around so long. You'll be hard pushed to find a better, more reliable competition gun." 🍌

7

9

**TOP TEN GUNS**

From the responses I received I was able to compile the following list. Let the debate begin:

- 1 BERETTA 680 SERIES
- 2 PERAZZI MX8
- 3 PERAZZI MX 2000S
- 4 KRIEGHOFF K80
- 5 BERETTA S05
- 6 BROWNING B25
- 7 MIROKU MK38
- 8 CAESAR GUERINI INVICTUS WITH ASCENT RIB
- 9 BLASER F3
- 10 BERETTA ASE 90 – DT10/DT11

## HOW I STARTED

I have been shooting different disciplines since I was seven. When I turned ten I started shooting practical mini rifle, and by the time I was 12 I had progressed onto practical shotgun, shooting a Benelli M2 20 gauge.

In June last year I shot at the Berretta Worlds which was a fantastic experience for sporting shooters, where I used a Berretta 686. It was a hard day but thoroughly enjoyable.

My local ground is the National Clay Shooting Centre at Bisley, where I have been shooting Olympic Trap and Down the Line mostly for fun. I competed in the OT Winter League last year where I was noticed by Rod Gould. He started coaching me on a regular basis until COVID-19 put a temporary stop to shooting. During lockdown, he coached me remotely and

I practiced my stance, foot positioning, and shoulder placement from home.

Left: Tegan with her coach, Rod Gould, at the English Open Universal Trench where they both took gold in their respective categories.

## UNIVERSAL TRENCH

My coach advised me that I should start shooting with both of my eyes open in June, that's what I have been working on since. At first my scores decreased, but progress was quick and now I shoot better than before. Having never shot Universal Trench before, we decided to enter a few competitions to give it a try. There aren't any local places that offer UT very often so every event is practice. My first ever UT competition was the CPSA UT English Open, where I won the Colt category. At Fauxdeglia Shooting Ground, I came second in the Ladies and Junior category, which I was very pleased about.

## SUPPORT NETWORK

My family are very supportive of my shooting, especially my mum and dad. I have received encouragement and advice from other competitors who are always friendly and happy to talk about their shooting.

## TEGAN'S TOP TIPS

- TIP 1** Talking to other shooters at competitions could help a lot for your future. That way, you will always know someone everywhere you go. This will help with networking.
- TIP 2** Try shooting every discipline to see what suits you and what you are best at. Then you can find your favourite to pursue further and focus on.
- TIP 3** Find a gun that fits you – starting to shoot with a gun that doesn't fit can damage your progress and success.
- TIP 4** Find a coach that fits your shooting style, that you get along with and can work well with.
- TIP 5** At the start, remember to focus on your safety.

## THREE WORDS TO DESCRIBE YOURSELF?

Enthusiastic, focused, and dedicated.

## MY BIGGEST ACHIEVEMENTS

My biggest achievement was winning Colts High Gun at the CPSA English Open Universal Trap 2020. Being my first big competition win I was very happy and excited, I was pleased that my practice over lockdown was paying off. I also recently won Silver Colts and Silver Junior Ladies at the English Open Olympic Trap at Bisley.

# VISION TRAINING

Visual Performance Consultant, **Ed Lyons**, explains to us how our vision works, and how he can help to train it.

**Left:** British Shooting Coach Georgina Roberts using Fusion Cards.

One of the most common questions that I received during the lockdown period was 'what can I do to improve my eyes, or keep them tuned up for when I return to shooting?'

Whilst shotgun shooters have always been interested in the latest cartridge, choke, or coloured lens, this shows that more people are becoming aware of how they can enhance their own personal performance, rather than rely on purchasing more expensive kit.

It's important to note that although having 'perfect eyes' does not make the perfect shooter, vision and shooting are intrinsically linked; the accuracy with which you see the target dictates how you make the move to shoot. The coordination and synchronicity of your eye muscle system can be linked to how repeatable that first dead pair becomes.

## VISUAL ACUITY

Since 2010, I have examined the eyes of over 1300 shotgun shooters from amateurs to Olympic medallists and World Champions – without exception all of the highest performing individuals have superlative Visual Skills.

When thinking about our visual system, the ability of our eyes to resolve detail is called our visual acuity (VA). It's interesting to note that our overall VA is often enhanced when we have both eyes open, as the signal to the visual cortex in the brain may be boosted; a phenomenon called binocular summation.

Our ability to keep our eyes working together is called our fusional reserve.

These high achievers may need to wear glasses or contact lenses to achieve maximum VA, but there are other visual skills that they exhibit which are not necessarily enhanceable through conventional optometry.

Eye muscle efficiency can be an important factor in gun fit.

VA is typically expressed as a set of numbers such as 6/6 or, as commonly used in the USA, 20/20. These numbers equate to a particular size letter on an optometric test chart, which is viewed at a set distance with a controlled level of illumination.

VA of 6/6 or 20/20 can be absolutely fine for normal life. But for the competitive shooter, 20/20 is not all that impressive, as the top shots can typically resolve far higher levels of detail. Target presentations may also present further visual challenges through use of background, clay colour and speed – ambient light levels are also a potentially unpredictable factor.

### EYE MUSCLES

Now that we know about VA, it can be a useful analogy to compare our eyes to two video cameras, each of which is constantly collecting both static and dynamic information. If we're lucky, these video cameras may be able to resolve detail in HD, because any refractive errors have been accurately corrected. The neuro-ophthalmological pathways have developed to a high level.

Sometimes, we may have one HD eye and one with lower resolution (a common cause of eye dominance problems) and in some cases both eyes may only be able to achieve low levels of VA.

In order to move these cameras around, we have six pairs of eye muscles, some of which have primary, secondary, and even tertiary actions. We have muscles for lateral movement, vertical movement and also elements of rotation which are linked to gaze stabilisation and balance, not to mention those tiny muscles which are involved with helping us to focus, and it is this muscular system that we can train at home.

Like any muscle system in the body, our eyes can be affected by stress, tiredness, hormone levels, blood sugar, medication, and even our lateral gaze angle, where the eyes are looking at the limits of their movement.

Eye muscle efficiency can be an important factor in gun fit. It is a vital and almost entirely overlooked consideration when measuring eye dominance, and can be a performance limiter for those who have low ability to fuse the images from each eye.

This ability to fuse, or not fuse, the two separate images is a key factor in establishing true binocular vision. When each eye is locked onto the same target,

## TRAINING YOUR VISION

I have produced three entry level kits, the exercises in which have been specially selected to help shooters maximise their visual potential at home and are available on [ed-lyons.com/eyewear-shop](http://ed-lyons.com/eyewear-shop) The following deceptively simple products are included:

### 1 BROCK STRING

A vital training tool for the two-eyed shooter. The Brock String can assist the user to develop better coordination of their eyes, and ensure both are pointing in the same position in space, at the same time. An excellent tool for eye muscle, depth perception and anti-suppression training. It may also help some shooters overcome certain types of eye dominance problems.

### 2 FUSION CARDS

These can help to develop enhanced depth perception and spatial awareness, by training convergence (inward eye movements) and divergence (outward eye movements) with no suppression of either eye.

### 3 HART CHARTS

Help to train our accommodative system, which is the ability to change focus from distance to near. Specifically, Hart Charts help to improve accommodative facility – the ability to increase and decrease our focusing on demand. Some people focus too much and cannot relax, other focus too

little and experience blurry vision for close tasks. Our near focussing system begins to lose efficiency in our mid-40's, but the Hart Chart can also be used to train eye movements called saccades. Saccades are rapid, ballistic movements of the eyes that abruptly change the point of fixation. They range in amplitude from the small movements made while reading, for example, to the much larger movements made while acquiring and locking onto a target.

### INSTRUCTIONS & KIT

Each exercise has its own instruction manual and an email link which will take the user to a private video demonstration.

- **Kit 1 Eye Muscle Training** contains a warm-up program, a Brock String and Fusion Cards.
- **Kit 2 Depth Perception and Eye Speed** contains a warm-up program, a Brock String and Hart Charts.
- **Kit 3 Total Workout** contains a warm-up and all three pieces of equipment for a comprehensive program.

*\*These programs are not designed to diagnose or treat any condition and does not replace the need for regular Eye Examinations and/or spectacles or contact lenses. Read all the instructions through before you start. If you have any pre-existing ocular conditions seek advice from your eyecare practitioner prior to commencing training.*

**Above left:** British Shooting Coach Georgina Roberts is among those who have benefited from Ed Lyon's vision training advice. **Right:** Georgina Roberts using a Hart Chart.

other objects either in front of or behind that target may be 'double'. This is called physiological diplopia, and is why you may see two barrels when looking hard at the target with a mounted gun.

This is totally normal, and means your eyes are working correctly. It does not indicate an eye dominance problem, as is commonly thought.

### THE BINOVI KIT

Fortunately, there are plenty of ways that a motivated shooter can tune up some of these muscles and learn how to control their eyes more effectively in space. Some of these are described in the box on the previous page.

For those that want a more advanced solution, an American company called EyeCarrot has developed an innovative online vision training protocol using their Binovi platform.

With the Binovi kit, the user is supplied with an entire box of vision training equipment, containing stereograms, tranaglyphs, parquetry blocks, marsden balls, and access to the Binovi Coach app.

Monthly or weekly vision training programs are uploaded and recorded, so both the coach and performer know how the user is getting on.

Starting at £650, it is a more significant investment. Currently I have shotgun shooters, a World Champion boxer, and an England Rugby player signed

“ A motivated shooter can tune up some of these muscles and learn how to control their eyes more effectively in space. ”

up, along with a few regular clients. Feedback has been very positive.

A couple of years ago in my optometric practice in Wolverhampton I invested in a Senaptec sensory station – an incredible piece of kit for assessing the visual ability of an athlete. It has revolutionised the level of detail and analysis I can offer my clients.

The idea is to develop a comprehensive understanding of how the individual sees, which is unique to them, and by using cloud analytics compare their visual skill set against others in their peer groups across the world. We can then identify what areas they are strong in, as well as finding areas of opportunity to improve.

This information is passed to the coaching team so everyone knows where we are in the journey.

Performance plans can be drawn up to optimise the individual's perceptual skill set; this may be through very precise prescription lenses, custom made contact lenses, precision tint work, 2/3D vision training, vestibular-ocular training etc.

### STROBE EYEWEAR

Along with the sensory station, Senaptec launched their Strobe eyewear, designed to train the connections between an individual's eyes, brain, and body. They have been shown to boost short-term memory, improve hand/eye coordination, and focussed attention. Using liquid crystal technology, the lenses

flicker between clear and opaque, removing visual information, and thereby forcing the individual to process more efficiently.

The units can be controlled using the analogue buttons on the side or via a free downloadable smartphone app.

The Senaptec Strobe can be integrated into existing training drills and exercises, both with and without the gun. Team USA's Kayle Browning is a regular user, to ensure her visual system is warmed up prior to competition.

There are two versions of the Strobes, the regular has eight speed settings and each lens can be isolated, or the unit can be used binocularly. The latest Quad Strobe is segmented into quadrants.

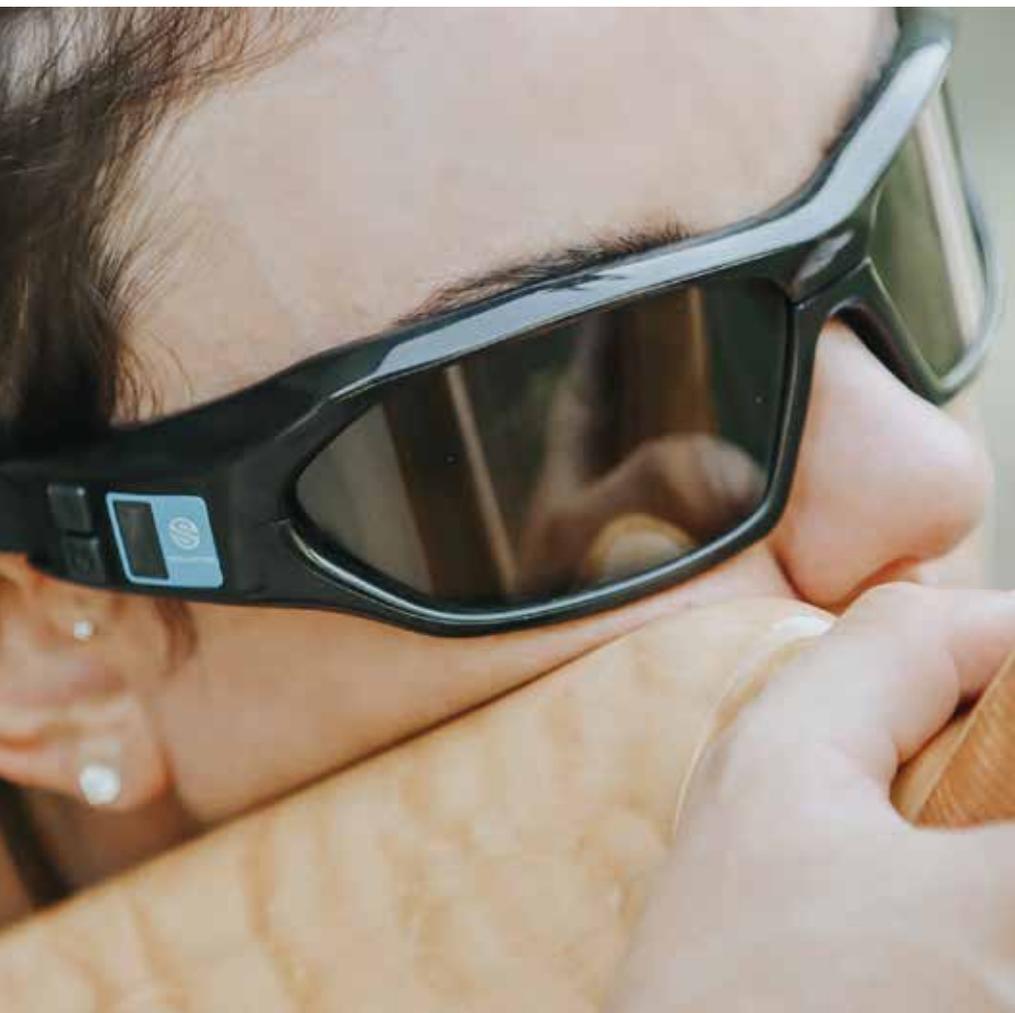

From the eyewear or using the app, the wearer can activate each region independently and customize the occluding patterns desired – further enhances eyewear's capability and use.

Senaptec are also releasing their at-home vision training program, which helps to train reaction time, perception span, and hand/eye coordination, amongst other skills. 100 of my clients have access to the Beta version of this so I'm looking forward to hearing their comments!

Stay safe and see you on the range soon! 🎯

#### WITH A SENAPTEC SENSORY STATION AMONGST OTHER THINGS, WE CAN NOW ASSESS AND ANALYSE;

- High contrast acuity • Contrast sensitivity
- Depth perception • Peripheral vision • Perception span • Reaction time • Dynamic acuity
- Target capture • Hand/eye coordination • Critical decision making • Multiple Object Tracking • Eye movement tracking in all directions • Saccades and Pursuits • Eye dominance (four different very different methods!) • Colour preference and plenty more!

## EMMA STACEY

Emma has had many achievements including: 2020 UK FITASC Ladies Champion, British Grand Prix Compak Ladies Champion, British and English Open All Round Ladies Champion, and 2018 British Open Sportrap Ladies Champion, as well as being an England and GB Team shooter.

England and GB Team shooter **Emma Stacey** reveals the tools of her trade, and how she brings the bling to her kitbag.

**D**espite a disruptive shooting season, Emma Stacey has been making the most of events that have been hosted since shooting started back up in July. We spoke to Emma to find out a little more about what equipment, clothing, and accessories we would find her in her kitbag.

### GUNS AND CARTRIDGES

Defined by the world-famous action, Emma shoots a K-80 Parcours with 32" barrels and custom

stock by sponsors, Krieghoff. Having only recently invested in the stock at the beginning of 2020, moving from a regular adjustable one, it has really helped her shooting and especially at FITASC. It's a little shorter, a lot higher, and has much more cast on it to ensure a perfect fit.

Not a big choke changer, Emma would normally shoot with 1/2 and 1/2 at pretty much everything, but has both Briley and Teague chokes, normally switching to a cylinder choke for a very close target or driven clay.

She states “I do like to play around with my cartridges, so I normally have quite a few different ones in my shooting bag. All of them are Hull Cartridge though – the consistency and pattern I get through my gun is first-class.

My standard cartridge is a Hull Sovereign 8, which I couple with a Pro Piston 9 for close targets, and Sovereign Parcours 6.5s for long range targets. I also like using the 6.5s in my second barrel for FITASC, because they give me so much confidence!”

### CLOTHES

Emma uses a Castellani skeet vest in the London style, and of course an England or GB one if competing with teams abroad.

“I don’t have a favourite colour or style, but I do have a red Castellani Laporte vest and a navy Croots Hull Cartridge one. I tend to rotate them depending on my other items of sponsor clothing. However, I really like the lightness of the Castellani vests and I do prefer the London style, so tend to stick with the Navy Krieghoff vest and then pair it with a Hull polo and a Laporte cap.”

### GLASSES AND EAR PROTECTION

Oakley Radar EV Path are Emma’s glasses of choice, which she received through sponsors West Country Guns. She absolutely loves them, having previously used the M-Frames, and holding on to those until they really were too scratched to use.

In detail, the set hosts two rose-based lenses, and a dark one for when it’s really bright. This is paired with a pink and multi-coloured paint splash effect frame, which is a little more unique.

As a child, Emma used to use pink kids muffs for ear protection, and since she’s stopped wearing them has tried to bring a little bit of pink into her shooting accessories wherever possible.

“I took the same mantra to my new ear protection. Upon graduation from kids muffs at the grand old age of 18, I moved across to use hearing protection from my sponsors Vario Hearables. I currently use their Revolution 6 Electronics, which I have in pink, purple, and white. They’re really comfortable and great for shooting abroad when it’s really hot.”

### LUCKY CHARMS AND OTHER ACCESSORIES

When asked about any good luck charms or other equipment, Emma revealed she doesn’t really have anything in her kitbag for luck, but does like to pack a lot of other things into it. These items include lip balm, hair bands, paracetamol, and plasters – all the essentials. She also always carries a water bottle, as well as a cap to shoot in. This rotates between caps from sponsors Hull Cartridge or Laporte CPC.

### MAKING IT PERSONAL

“I like to bring a bit of pink and a bit of sparkle to my shooting kit – from my Oakley frames, to Vario ear plugs, to the pink Krieghoff barrel sticker on my gun. I like to make everything a bit girly where I can and move away from normal boring colours.”

The other thing Emma likes to personalise is her hard case for her gun, sticking mementos on it from competitions, teams, and sponsors.

Currently it is adorned with Krieghoff, Laporte, and Chicago stickers from the 2019 Worlds, and of course the Team England and GB stickers.

This was inspired by her Dad, who also shoots for England and stores his stickers on his case, so it was a really proud moment for both when Emma was able to do the same. 🍷

I like to bring a bit of pink and a bit of sparkle to my shooting kit

### 11 Jul: Kevin Howarth Memorial Shoot at Mickley Hall

From the many shooters and friends who turned up at the celebration, I think it is fair to say that Kevin left a long lasting impression on all who knew him. We will always remember Kevin for the friend and true gentleman that he was. In the world of shooting both game and clay, Kevin had many friends, and from Cheshire CPSA's point of view he had a professionalism second-to-none in everything he did. In fact, it was because of Kevin that the committee went on to win so many awards.

Karen, Victoria, and Emily would like to take this opportunity to thank all who came and supported the event and also dared to eat a burger cooked by their own fair hands.

We would also like to thank the people who gave up their time to help, and those who donated prizes for the raffle. It was a very successful day for the North West Air Ambulance – a charity close to Kevin's heart – as we raised in excess of £700.

The shoot itself was a great combination of targets for all abilities, a credit to Scott and all the team at Mickley Hall Shooting School. There were some great scores on the day with Guy Robinson on 90, Tony Dean and Steve Randles on 91, Nick Beavis and Tim Simmonds on 92. It was a tie at the top, with 93 for both John Jones and Rob Claybrook. Unfortunately there can only be one winner and this was decided on countback, leaving Rob Claybrook to be the first to receive the fantastic Kevin Howarth memorial trophy.

Christian Bethell.

Kevin Howarth.

Kevin Howarth Memorial Trophy.

We look forward to this being an annual event that we can grow when we are out of COVID-19 guidelines, and once again thanks to all who turned up to support this great event.

### 31 Aug: British Open Single Barrel, North of England Clay Target Centre

Congratulations go to Toby Hurstfield for taking third place in Juniors with 93. Very well done.

### 5 Sep: Cheshire County English Skeet Championship, North Wales Shooting School

Good weather greeted us in the morning at North Wales Shooting School. Setting the pace early were Christian Bethell and Colin Babcock, on 99 and 98 respectively, with plenty of action still to come as the field had been split into four squads. With all the scores in, Christian's 99 could not be beaten, so he was declared Cheshire County Champion. Colin Babcock was Seniors Champion. Hazel Denney Ladies Champion, and James Barnett Juniors Champion with a brilliant 95.

There was a tie in Veterans, with Jim Wagstaff and Maurice Cunningham both on 95. A shoot-off prolonged the tension – Maurice came out the winner by the narrow margin of just one clay.

### 5 Sep: Cheshire County Skeet Doubles Championship, North Wales Shooting School

This competition followed on from the ESK. With a smaller field and only 50 targets, the results should be in soon.

The weather did not think so, with a torrential shower of rain stopping the action mid-session. Mark Haley came out as our new Champion. Hazel Denney was Ladies Champion. Maurice Cunningham Veterans Champion, and Lucy Earl Juniors Champion. Another shoot-off was required, however, this time to decide Seniors Champion. Colin Babcock and Ian Cunliffe both finished with 48. In the end, Colin was victorious.

### 6 Sep: English Open Single Barrel, North of England Clay Target Centre

Congratulations go to Tom Roberts for coming third place in Juniors, and Toby Hurstfield for third place in Colts.

### 2-6 Sep: British Open English Sporting and Sportrap, Garlands

Well done to all that took part, 28 for the Sporting including three Juniors, and 11 for Sportrap, including two Juniors. Sadly there were no Ladies. The targets set by Steve Lovatt had something for everyone, and many felt appropriately challenged! Shropshire AAA shot Mike Jones to score 103ex120 to lead the Shropshire guns, with Paul Stokes on 97. Stu Aston finished on Jason Machin 94. Juniors Archie Hughes and Matt Bower both reached the Finals, so well done to them. In the Sportrap, Senior Stu Aston and Junior Josh Sarjant both shot a very commendable 86 to head up the Shropshire results. Stu was in the B Class shoot-off for third place with Anthony Hoskins, who just won by two extra targets.

### 6 Sep: DTL, Ranton

Graham Evans shot an excellent 100/297 to be High Gun. Six other Shropshire guns were present, including three Juniors who all shot well.

### 13 Sep: West Midlands and Shropshire English Skeet Championships, Fauxdegla

Graham Evans led the Shropshire results, although Trevor Lewis tied with him. Kevin O'Reilly tied with Graham and Trevor so a three-way shoot-off for the West Midlands Veterans placings was required. Trevor missed first, then Kevin, so Graham was West Midlands and Shropshire Veteran Champion and Overall Shropshire Champion. Trevor Lewis was Shropshire Runner-up. Roy Jones was third in Veterans. Paul Stokes was third in Shropshire and the leading Senior, with Richard Uffindell Runner-up. Shropshire had two Juniors shooting that was most encouraging. Jan Dixon gained a Ladies Medal.

Alan Rowley on Left.

Graham Evans  
ESK Champ.

Graham Evans All  
Round Champ.

### 20 Sep: Shropshire All Round Championship

At Park Farm, Veteran Graham Evans was the Shropshire All Round Champion, just one clay ahead of Richard Green, who led Seniors. Roy Jones was Veteran Runner-up, and Trevor Lewis third. Seniors Runner-up was Mike Cashmore and Stewart Owen was third. Jan Dixon gained a Ladies Medal. Juniors was led by Matt Bower, with Zak Mansell Runner-up. Dan Whittall, Callum Pugh, and Robert Bower all shot well. Thanks to everyone, especially Farm Park, for making this event safe, well-run and enjoyable.

### 27 Sep: West Midlands and Shropshire English Sporting and Sportrap Championships,

Steve Lovatt's targets at Westfield had something for everyone – including a few that were hard to work out! Dan Whittall was Shropshire's Sporting Champion with Dave Harley again just one behind, tied with Veteran Champion Dave Wincott. Matt Bower led Juniors with Arran Eccleston Runner-up. Janine Dixon gained yet another medal and was rewarded for her commitment. David Ward was Veteran's Runner-up, just ahead of Trevor Lewis. In the Sportrap, Senior Dan Whittall shot well to take the Shropshire Championship, with Dave Harley again just one behind. Fred Wilson was third. Matt Bower gained a Junior Medal. Trevor Lewis led Veterans just ahead of David Ward.

### 27 Sep: Champion of Trap, Fauxdegla

Graham Evans was third with 94ex100, DTL 24, ABT 25, UTR 22, and OTR 23. Well shot!

### Helice News

Alan Rowley shoots Helice consistently well and is currently joint top of the Senior's Rankings. Next year, Alan will face the challenge of FITASC Veterans, and it is noted winning a GB place does get any easier as time goes by. Alan was Runner-Up, by just one day, at the UK Open held at Rugby on 20 September and Champion Adrian Parkin-Coates shot 24-straight. The standard of shooting by all competitors at different levels was outstanding, and the sport in the UK is looking good for talent. It is hoped this will translate into future international success, across all categories.

Kian Maher (Silver) & Martin Walmsley (Bronze).

Lara Dale and Paul Bailey.

### 2-6 Sep: English Sporting and Sportrap British Open, Garlands

A terrific event in all sorts of weather, there were some notable performances from our local shooters over the five days. Congratulations to all of those who made it through to the finals day, and massive thanks to Steve Lovatt and the Clay Shooting Company for putting on an excellent competition.

### 5-6 Sep: Olympic Trap British Grand Prix

Adam Gutteridge put in two days of hard work to finish on 178ex200, putting him just on behind the winner in his class at Fauxdegla.

### 6 Sep: Single Barrel English Open, North of England Clay Target Centre

Things have been zipping along well for the last couple of months. We have managed to get all of this year's shoots into the calendar, although we have had to sacrifice some of the dates to get them in which may have caused a few clashes.

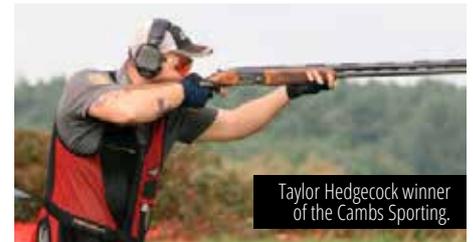

We managed a good result in the Nationals Inter-Counties All Round – the Veterans team taking the win. We also tried to retain the DTL win from last year, but just fell short.

The single barrel was held at Priory CTC, a good entry for this and all shot well, yet weather conditions were very windy.

We had the Sporting at CGC, it was a fair entry under the conditions. The ZZ Helice was not very well attended for Rugby, but again the conditions have played a big part in that.

The Skeet doubles were held at Eriswell and there was a good turnout for the battle that ensued. The Bev Waller Trophy remains outside of Cambridgeshire shooters for another year, but well shot all who have attended any of these shoots.

We only have four more county shoots this year and the National Skeet at Northampton. The clash we have with the National ABT is unavoidable, but we hope to catch up with you all as soon as we are able to. Please be mindful of the lockdown rules at all grounds, be careful and be safe.

This two-day Sporting event was testing, just as expected. The few disappointed faces at the end told their own story. You can't keep a good man down however, as the familiar figure of John Lee topped the leader board with 90, to crown him the Lincolnshire Champion.

John's brother Matt took AA class on 72. Graeme Bell scored 83 in A Class, Paul Zaitschenko 77 in B Class, and James Cheer took C Class with 71. Ladies were well represented and it looked like last year's champion Georgina Barratt would retain her title. Later on, though, Lisa Burton pipped Georgina by one point to take the title.

Veterans went to Anthony Newman, following count back, with both Anthony and Richard Gray on 73. Kallum Burrell picked up his second Lincolnshire title taking Juniors on 78 and I dare say this will not be his last.

Thanks always to Emily and the Orston team, who continue keeping everyone safe with a well organised event, two great days of competition.

**20 Sep: Priory CTC**

A windy day kept competitor's away. The Skeet Doubles Championship also came up against the National Inter-Counties All Round Championship, which impacted on participant numbers. Matthew Robinson, on the first squad out recorded a tidy 91 in the sporty conditions.

The past four years has seen Doug Moore engraved on the trophy – would this year be any different? Not if Doug could help it. Returning 91 meant a shoot-off consisting of alternating Pairs off Station four to crown this year's Champion.

Matthew started perfectly, both pairs scored, would this pressure England Skeet Member Doug? Calling for his first pair, no clays. A referee and shooter's worst nightmare. Oh the agony.

Lisa Burton Ladies Sporting Champion.

Kallum Burrell Junior Sporting Champion.

Matthew Robinson Skeet Doubles Champion.

Doug called again. Pair of clays. Two trigger pulls. Both clays continued their merry way.

Victory was Matthew's – his first County Title and I'm sure this will not be the last. With last year's region Skeet Doubles to his name, Matthew seems to enjoy double trouble.

Congratulations on a well-deserved victory, and well done to Natasha and everyone for the immaculate ground.

**20 Sep: National Inter-Counties All Round at Northampton**

The worst position to finish when the prizes are awarded to winners and Runners-up. Yes, we were third in every category except Juniors. Seniors Pete Atkin scored 91, Andy Harvey and Richard Thompson both on 89. Steve Smith managed an 85, Richard Cundall 84, and Phil Porter a 81. Five scores from six to count gave us 438. Nottinghamshire had us by four points, but we were hopeful for second place, until the last squad when Cheshire scored 444.

Norman Smith finished on 88, Mike Burton 80, and Brett Aisthorpe 74 to put Veterans in the lead with 168. We were then edged into second place, until Bedfordshire's 169 pushed us into third by one point.

The ladies finished with 154. Saira Boardman scored 78, Georgina Barratt 76, and Janet Stennett 69. Waiting anxiously for the last squad of the day, Warwickshire equalled their score. A shoot-off was required on skeet which was bad luck for our girls, as one of the Warwickshire Ladies was Megan Jones, England Team member and Skeet champion. So, the ladies found third place was theirs after the shoot-off.

Thanks to a great score from Kallum Burrell 85, the Juniors were able to take the Runner-up place. Joining Kallum was Becky Miller, shooting for the first time in a Lincolnshire team. I'm sure we will hear much more of her in the future.

**PAM BAIRSTOW**

Things are getting busier now in the shooting world, and for the first time in a long time we have a competition to report about. I had been joking that this month was going to be all about gardening and flowers as no competitions had taken place, but the National Inter-Counties All Round competition, held at Northampton Shooting Ground, has saved the day.

This year the competition proved to be very popular, the lack of other competitions maybe driving the interest. There were twice the number of guns for this – around 120 compared to only 58 in the 2019 season. Some counties were notably missing, mainly from the North, as this clashed with a big North of England shoot. This didn't stop the atmosphere.

Northants put up full teams for the Senior, Veteran, and Ladies categories, and there were also many local non-team shooters. The weather was good with sunshine, a breeze, and a little warmth. DTL, ABT, Skeet, and Sporting were enjoyed by many. There were no rogue clays for the trap disciplines but a few testing Sporting stands. There were some high scores but not many, it is a tough ask to have high competence in all of the disciplines, but the

county shooters turned out well. Alex Banning shot a lovely 75. Jo Smith looked to be leading the Senior High Gun race for quite a while, until he was joined by Veteran Anthony Dean from Cheshire, both with 94ex 100. The last squad out came back with John Barnett, also from Cheshire, and a score of 95. Just one clay more than Jo. He finished the day Runner-up in the Senior category.

Kirstin Vogel shot a good 81ex100 and was involved in a thrilling shoot-off with Hayley Denoon from Notts. Kirstin shot very well and took the title after scoring 23. Well done! Thanks to all county shooters who took part.

In the first competition weekend in September, Kirstin Vogel also had success in Wales. She went to compete in the Welsh Olympic Skeet Grand Prix, and come away with Ladies and Welsh Junior High Gun titles.

The monthly Registered Sporting competition is drawing more interest lately, and is getting back up to pre-Covid numbers. It is also being held on some Saturdays in autumn so it is always best to phone up early to book.

And finally, please can I give early notification of the date of the Northants CPSA AGM to save for your 2021 calendar. This will take place on Wednesday 13 January at 7.30pm, at the Northants Shooting Ground. The county committee sets local competition dates, arranges Team Managers for Inter-County competitions, keeps the website and Facebook pages up-to-date and sources sponsors for competitions. The committee needs people to vote again next year, so please put it in your diary so you don't miss out on the chance to support your county.

Darren Watkinson and Rob Denoon at the National Inter-Counties All Round.

R Denoon was the highest shooter for the county at the event on a score of 91ex100. A special mention to H Denoon for coming equal first in the Ladies category, just being pipped to the post in the shoot-off. A huge achievement for the county and individually for them both.

Congratulations to all who took part and thank you for all your efforts. It was great to see it being so strongly backed especially in the circumstances we find ourselves in.

**National Inter-Counties DTL**

The National Inter Counties DTL took place at the North of England CTC on 27 September. The county was presented by Paul Meakin, shooting 99/295, and Lee Wilcoxon with 95/283.

**August Bank Holiday**

Across the bank holiday weekend in August, we had a total of eight shooters who took part in the Sponsored DTL, Dougall DTL, and the English Open DTL. All of these were held at Bywell Shooting Ground. Top shooters for the county where C Woolley and P Meakin, who both shot very well to be top of the leader board on respective days. Congratulations to all Nottinghamshire shooters who took part.

**British Open English Sporting Championship**

Nottinghamshire was well presented at the British Open English Sporting Championship, held at the beginning of September at Garlands Shooting Ground and hosted by the Clay Shooting Company. Highlights include Peter Armett coming third in B Class, and Martin Doughty coming third in the veterans.

**British Open English Sportrap Championship**

In the British Open English Sportrap Championship, which ran alongside the Sporting, Martin Doughty also came second in the veterans category. Congratulations Martin. An excellent week for you.

As ever, if anyone has anything you'd like me to report on from the county, please do get in touch. I will be back reporting some excellent news next issue for the county, I'm sure. In the meantime, don't forget to keep up with news on our Facebook page, Instagram and our website.

**British Open Skeet**

At the 2020 British Open Skeet Doubles, held on 23 August, Nottinghamshire shooters T Clifford, N Howard, N Orr, and K Donnelly all gained good scores. T Clifford shot an excellent 99ex100. The regional Seniors team was won by the East Midlands. A fantastic achievement!

**National Inter-Counties All Round**

We had an excellent turn out with an incredible 18 shooters attending the event – the joint highest turn out across the UK.

The Ladies team won, consisting of H Denoon, C Smalley, and A Jade. The Senior team also came second place Overall. This team comprised of R Denoon, K Warner, L Clements, R Hufton, M Chiakli and D Watkinson.

A special mention to C Smalley, A Jade, and A-M Watkinson, all of whom shot for the county first time. It's so great to see so many new people partaking in the Ladies categories.

### ROGER COX

rogercox47@gmail.com  
sites.cpsa.co.uk/avon

The competition season is now drawing to a close for this year and has resulted in significant amount of overlap of dates and venues, due to the compressed season with COVID-19

### 26 Sep: Avon Double Rise Championship, Axminster SG

Tony Dores took the Avon title with a 87/100 to just squeezed out Pete Bugler and Jerry Ayshford, tying as Runners-up on 84/100. The event was held in conjunction with Devon.

### 6 Sep: Avon All Round Challenge Championship, Meadowcroft

Challenge seemed to be the key word here. Shot over 50 sporting, 25 sportrap and 25 trap, as a non registered discipline. The trap being the testing targets on the day with the sudden cloud burst half way through coming second. It was shot from cages with what has been described by shooters as targets of OT speed and ABT angles which frustrated some of the shooters. Jo Hemmings won on the day with a 89/100 and was the latest Avon Champion. All other places need to be referred to the ground for detail.

### Sporting and Sportrap at Owls Lodge

Avon County Teams were entered for the Inter-County events this year in Sportrap and Sporting, at Owls Lodge Shooting Ground. Many thanks go to Jo Hemmings and Dean Horswell for organising the teams. Successes of the winners cannot be reported this year but congratulation to all team members for taking part and putting in good performances.

### FITASC

Avon FITASC is unlikely to be held this year as no date or venue can be set. If anything changes then these will be posted on the website.

### Podimore Shooting Ground

Another shooting ground has been lost in September with the closure of Podimore SG. Having hosted Avon championships in the past, the farm has now been sold and the land will be returned to agricultural use. Don Brunt, the previous owner, is beginning a new shooting venture in Dorset.

### Annual AGM

This time of year is also the AGM planning time. With venues unable to be booked and meeting

sizes restricted, no dates can be published. If circumstances do change then details will be published on the website and in Pull! if possible.

Any further breaking news, please contacts us on email below for inclusion next time. The Avon website is hosted on the main CPSA website and can be accessed via the County tab. Also there is a new email address of rogercox47@gmail.com for contact in the future.

## CORNWALL

### ALISON MORDEN-HAWKE

alisonm-h@outlook.com

This summer the roads have been busy at weekends, not only with people travelling to our beautiful county for staycations, but also with shooters travelling to various grounds around the country. There have been many competitions during September and cars carrying shooters have even crossed on the M5 and A303. Quite a few times on our travels, trophies have been acquired but you can be assured that on every occasion our teams have enjoyed visiting different grounds. Referees too have commented on how good-natured our members are, and on the smartness of our team shirts.

### County Championships

Sporting took place at High View this year for the first time on 30 August. Bill and Donna arranged some testing targets with the champions being Pete Mylam, Seniors and Veterans with a score of 91, Emily Morden-Hawke, Ladies with score of 71, and Denzil Grose, Junior with a score of 68.

Single Barrel was held at North Cornwall on 31 August. Champions were Barney Jackson, Seniors with a score of 95, Colin Chidley, Veterans with a score of 90, Jody Nicholas, Ladies with a score of 85 and Denzil Grose, Juniors with a score of 71.

Double Rise was a combined South West and County Championship, held at North Cornwall on 19 September. Cornwall Champions were Simon Ede, Seniors with a score of 83, Colin Chidley, Vets with a score of 66, and Beth Walsh, Ladies with a score of 64. Beth also took the Ladies South West championship.

### South West Inter-Countries

Skeet was held at Brook bank on 6 September, when our teams had a clean sweep of the trophies winning Seniors, Vets, Ladies, and Juniors. The individual South West Championships were also won by our members. Bill Moussalli took both Senior and Vets titles after a shoot-off with team member Pete Mylam, both having the maximum score of 100. Emily Morden-Hawke became Ladies Champion, and Denzil Grose the Junior champion. Congratulations also to Oakley

Reynolds gaining his first cap for the county during his first season shooting in competitions.

The DTL team had to travel only a short distance over the border to Bradford Shooting Ground, and whilst they were unsuccessful in winning trophies, the team members confirmed that they had an enjoyable day.

Sporting was held on 19 September at Owls Lodge in Hampshire. This was another expedition for the teams up the A303 where the Vets team won. Congratulations to Katie Rowe on receiving her first cap for the county.

FITASC – was held at Purbeck on 20 September. This proved a busy weekend for those who had shot the Sporting event the day before. Ben Westaway earned his first cap.

All Round was held at Brook Bank on 27 September, when both Senior and Veteran teams won. Individual South West Championships were won by Adam Rowe senior with 95, and Pete Mylam Vet with 91.

### Individual successes at other Championships

Congratulations to Paul Martin who came forth in C Class at the British Open Skeet. Denzil Grose won Silver at the Olympic Skeet at the British Shotgun Festival in East Yorkshire, Pete Mylam became the South West Veteran Sporting Champ.

SW Junior Champion was Owen Clark with 95. SW Ladies Champion was Katie Jemison with 95, and SW Veteran Champion was Nick Shadrick.

**Single Barrel, Brook Bank**

On 26 September, Lorriane Greening, Gordon Greening, Ian Mulliner, and Dean Webber formed the Dorset presence. Ian shot very well, scoring 96ex100, becoming the 2020 Dorset Champion. He was pipped by only one point by High Gun Gerald Sweet. Lorriane triumphed too, taking the Ladies title with a commendable 84.

**Remaining Championships**

As I write this article, two Dorset County Championship competitions still remain to take place.

They are the English Sporting, to be held on Saturday 3 October and the Sportrap, on Saturday 17 October. Both shoots will take place at Purbeck Shooting School. As is normal at the moment, pre-booking is required. The ground can be contacted on 01929 405101.

**South West Regional Championships and Inter-Counties Team Championships.**

Dorset entered two squads for the South West Inter-Counties English Skeet Championship, held at Brook Bank on 6 September. There were ten squads all together, Dorset providing two of them. Pete Brushett, Graham Brown,

Alex Marsh, Jack Vickery, and Dave Vickery formed the first squad. James Trevett, John Trevett, Andrew Burridge, and Kevin Vincent formed the second squad.

Unfortunately, Pete Brushett missed one target in his last round, and his score of 99 fell just short of the two 100-straight posts by Cornwall's Bill Moussalli and Pete Mylam. Graham Brown added a 97 to Dorset's total, giving an overall counting team score of 468ex500. This was only two points short of Somerset's second place, Cornwall bagging the overall Inter-Counties title with an impressive 490ex500.

**South-West Regional Olympic Trap**

Sunday 13 September at Brook Bank saw the South-West Regional Olympic Trap Championship.

The excitement at the shoot was heightened by the 95ex100 three-way tie for the title, between Wiltshire's Simon West, Avon's Matt Mills, and Somerset's Wesley Hann. But Dorset's Ian Mulliner scored 94 and so very nearly joined them in the shoot-off!

**South-West Inter-Counties All Round**

A fortnight later, on 27 September, also at Brook Bank, the South-West Inter-Counties All Round Championship took place. But Dorset's efforts were nearly scuppered when Rob Mulliner and Liz Turner were involved in a car crash on their way to the ground. Luckily, they were not hurt and Rob's brother, Ian, left the ground for some time in order to collect the stranded duo from the scene, and bring them back to bolster the Dorset team.

Ian didn't let his brother's accident affect his concentration, and shot a strong 94ex100.

Continuing his recent trend, Ian missed the High Gun and Regional Champion title by just one point, leaving it for Cornwall's Adam Rowe on 95. Regarding the team performances, Cornwall came first with a team score of 447, Somerset second with 443, Devon third with 435, followed by Dorset on 428.

**English Sporting and FITASC Sporting**

The South-West Inter-Counties English Sporting and FITASC Sporting Championships have also taken place since the last article was written. The ESP was held at Owls Lodge on 19 September. Thirteen Dorset shooters took part, and Paul Thomas tied with Wiltshire's Joshua Brown for High Gun on 97ex100. Other notable individual Dorset scores included a 93 shot by Richard King and a 92 shot by Stuart Rudling.

The Inter-Counties FITASC Sporting was held on 20 September at Purbeck Shooting School. 32 Dorset shooters took part in this event, indicating just how popular this discipline is. Dorset's top-two individual scorers were Stuart Rudling with 91 and Andy Herbert-Smith with 89ex100, noting that Hampshire's Richard Faulds was High Gun on 96.

**Hampshire DTL Championship**

Fareham CTC, now in its 57th year, was the setting on Sunday 27 September for the 2020 Hampshire DTL Championship. Two of the four layouts were used for the seven squads that entered, of which 18 were Hampshire members. Two of those members were hoping to gain some valuable points to add to the Supreme Championship table, Lee Knight and Sean Gamblen are both so close at the top of the table, with just two points between them.

We knew the DTL Championship would attract some past Champions to this event which could deny them the maximum points available, and that's exactly what happened. Dave Toomer has won this Championship on countless occasions and Dave did what Dave does best, DTL. Returning a 290/300, Mr D Toomer will yet again have his name engraved on the trophy, and pick up another Hampshire Champ badge. Barney Eastman claimed another Hampshire Colts title. It's great to see a lad that's so keen and hopefully continue shooting for years to come.

This day would see an historic win for the Isle of Wight. Every year for the last 20 years the Island send a DTL team to try to out-shoot the Hampshire team for the 'Cabbage Cup' and finally they have succeeded. This year's team, led by Dave Morris and family, have finally out-shot the team put forward by Hampshire.

The cup was purchased decades ago by Hampshire, with the plan that Island team to contribute to the purchase. When the cup was presented on the Island for the first competition, one of the Island team placed a newly picked cabbage into the cup, expressing that this was all they could afford as a contribution to the purchase. It will now be the turn of a Hampshire team to venture overseas to the Island next year, to try and reclaim the historic 'Cabbage Cup'.

**29 Sep: OLSS Hants Compak Championship**

There were 42 Hampshire entries for this year's Championship held at Owls Lodge Shooting School. It would be 2020 Hampshire Olympic trap Champion, Steve Scott, who picked up the rewards of the day. The targets were a tad tough for some, but Steve hit a very credible 96/100.

Sean Gamblen only picked up one point with the 90/100. Lee Knight returned a better score 95/100 to pick up nine points, putting him top of the Supreme Championship leader board by one point over Sean. Des Sturgess had a great day with a score of 94/100, and became the 2020 Compak Vets champ. Back again on the winners platform, Barney Eastman collected one more Colts title with a terrific 88/100. Tanya Faulds collected the Ladies title with a 90/100.

buckinghamshire

The British Open Sporting has been and gone again with lots of good scores, going to a wide selection of our Buckinghamshire members. A special well done to Amy Easeman for winning Silver in the Ladies and Gold in the Junior Ladies.

The Beretta Worlds also saw some very good shooting from our members – congratulations to Kevin Wharton and Mark Blamey for their wins and places in Class.

E.J. Churchill have very kindly held both our Bucks County Sporting and Sportrap competitions, with the Sporting seeing a few more entries this year. Our new Bucks Sporting Champion is Billy Baughan, who also took AA, Jack Britnell took A Class, Lorraine Harris took B Class, J Atack C Class, Ladies and Juniors going to Amy Easeman. Colts went to Lain Blamey and Veterans to David Broadway.

The Bucks Sportrap County Champion was Jamie Gutteridge. Phil Easeman came second in AA Class. Amy Easeman took Ladies and Juniors. JRG Smith took Vets and B Class, Peter Woodcliffe and Brian Hartland placed in class too. A huge thank you to all that participated in any of our competitions.

College Farm held our Bucks FITASC competition, a huge well done to our Bucks Sportrap Champion Ricky Draper, who matched his High Gun score with George Digweed. B Class was taken by David Broadway, C Class Paul Tilbury, D Class Kevin Gray, Ladies and Juniors to Amy Easeman. Colts was taken by Lain Blamey and Vets by Mick Stone.

Hollie Lumsden has been on form lately too – some well-deserved medals in the Junior Ladies for Olympic Trap all over the place.

Please do try to keep us up-to-date with everything you are all doing. Our Facebook page is Buckinghamshire CPSA and on there you can keep up with all the local shoots, county shoots, and much more.

## ESSEX

**IAN SCHWIER**  
ianschwier@icloud.com  
sites.cpsa.co.uk/essex

I would like to congratulate all the Essex shooters who did well in the British Open English Sporting and Sportrap, with Ian Schwier winning the Veterans category in Sportrap.

We have to wait for the results of the Inter-Counties until next issue as the results are yet to be posted. It has been pointed out that the Essex region doesn't have much to say in regards to Pull! reports, sadly, unless people send in their reports and photos this won't change. Please do send us your results and any interesting information for us to include.

### FITASC Sporting

Our Sporting team manager Richard Weller found himself on duty, and also won the FITASC Sporting held at Southdown on 20 September. Richard scored 79/100, and was the Champion and Veteran class winner for Greater London. John Ellison was Runner-up with 75, and Sian Hoskins won Ladies with 68.

It was an enjoyable day at Southdown Gun Club with bright sunny conditions with a bit of a breeze. The targets were good, although some were set to test the shooter's skills. Thanks to Southdown for holding this in view of the Coronavirus restrictions.

### Greater London DTL

The Greater London DTL was also held on 20 September at Bisley Gun Club, with a very good attendance totalling 48 guns. The day was hot and sunny with a bit of variable breeze. High gun and Greater London Champion was Tim Connolly with a score of 99/295, sharing the role with Geoffrey Howlett, also on the same score. The Runner-up was Charlie Madden and top Junior with 97/285, Alan Piper as Veteran with 96/281.

It was a very well run day with good targets, and catered for those who were in need. Good measures were in place to comply with COVID-19 restrictions and it almost seemed a normal day at Bisley – soon we hope it will be!

### County competitions

It has been decided that no Sporting or FITASC Herts Competitions will be held in 2020, we will try to get 2021 in the diary early.

### Herts Team for All Round, Northampton shooting ground

We had a great turnout at Northampton shooting ground on 20 September. We fielded a full squad of Seniors, Ladies, Juniors, and Veterans. None of the team had much experience of the format and most struggled on the single shot DTL. The weather was great, and the event was a lot of fun. Some notable scores from Charlie Monahan with an impressive 91ex100 and Alfie Tibbles on 85ex100, which secured the Herts Juniors a win and Alfie first in B class.

### British Shooting Grand final, East Yorkshire Shooting Ground

Great results from the Juniors with Maddie Russell winning silver in Olympic Skeet Junior Ladies, and Maddie Purser getting Gold in Olympic Trap Junior Ladies. Great performances from Lucas Hyde (OT), Bethany Norton (OSK), and Sebastian Noakes (OSK). Congrats to all our budding Olympic hopefuls.

**English Open Olympic Trap, NCSC**

Another Gold in Junior Ladies and a Silver in Ladies for Maddie Purser on 26-27 September at NCSC. It was a cold and windy day, but this didn't put Maddie off as she scored 160ex200 after the second day, placing her in 17th overall. Great shooting.

**British Open, Garlands**

Massive congrats to Darcy McBride who won Juniors after a shoot-off with Henry Bevan. A great weekend for all the Herts Juniors with three making the grand final on the Sunday. Great results from all our Juniors and Colts.

**Stories and comments**

Please send in any stories to the Herts Committee. If you wish to be considered for one of the Hertfordshire teams, please contact us.

**CPSA Committee**

If you are interested in helping out please let us know, the Herts committee is a small group and we struggle to get shooters involved so any help is appreciated.

**KENT**

**KELLY HOCKEY**

There hasn't been much of a 2020 season for all our Kent shooters, although we have had some excitement where Teddy Young won a day's coaching from double trap Olympian Steve Scott. Steve spent the whole day at Dartford Clay Shooting Club, and Teddy went home with lots of information to process. Thank you Steve for giving a young shooter this amazing chance!

Well done to Andy Wellard who shot his first ever 100-staight at the English Skeet at Kingsferry – hopefully here's to many more.

We received some devastating news this month, that Hamid Hajilou has passed away. Please see our tribute to him on page 7

As a committee, we would like to wish you all the best for the rest of the year whatever it may bring to you, and look forward to seeing you all in 2021!

Olympian Steve Scott with Teddy Young.

**OXFORDSHIRE**

**HELEN NICHOLSON**

helenccn1972@gmail.com  
sites.cpsa.co.uk/oxfordshire

Since the last Pull! report Oxfordshire have enjoyed a fairly good month both weather wise, and with some more great results.

**Northampton Shooting Ground**

Henry Mitchell once again won the Skeet Doubles held at Northampton Shooting Ground mid-September. He shot 94ex100 to take the County Championship Skeet Doubles title. Mark Savins took second place with a score of 90ex100, and Daryl Burton took third after shooting a close 89. Jane Robbins stepped forward for the Ladies and came away with the Ladies Skeet Double title, after shooting an amazing 77ex100. A pretty impressive score, seeing as Sporting is Jane's favoured discipline.

**Westfield Shooting Ground**

Steve has been busy setting up his September shoots which saw 99 people take part in the first shoot of the month. The targets were challenging as always but John Smith cracked the code and shot a brilliant 92ex100 to place him second in AAA Class. Bob Blundell shot a very impressive 84ex100 placing him second in A Class. Well done to both of you.

Later in the month on 27 September, 157 shooters turned up to shoot at Westfield. The shoot was a difficult one with many of the targets tricky to read, but Bob Blundell succeeded again and took third in A Class with a great score of 84ex100. Christopher Wigmore shot a strong 72ex100 to place him third in B Class, well done to you both.

**Honesberie Shooting Ground**

Honesberie hosted two 100 ESP Registered shoots during September. Many shooters from all different counties came together on 13 September to make up the 120 competitors to take part. It saw Oxfordshire's infamous Julian Freeman shoot a fantastic score of 97ex100 to take High Gun. Well done Julian, great shooting. Ross Edden shot an outstanding 79ex100 in A Class to take second, brilliant shooting Ross!

**Hornet Shooting Ground**

The event on 12 September pulled in 100 shooters. It proved to be challenging, but not for Oxfordshire Bob Blundell who came second in A Class after shooting a massive 89ex100. First in B Class went to Oxfordshire's Luke Godfrey after shooting 81ex100, and third went to Brent Barnes. Well done to you all, great shooting!

The second shoot of the month at Hornet Shooting Ground was a FITASC, in which 51 shooters competed. Oxfordshire's Super Vet Fred Townsend took second in B Class after shooting an outstanding 86ex100, well done Fred!

Owen Lewis BSGF.

Jamie Passant.

Maddy, Junior Gold Medal at British Shooting Grand Festival.

Please keep an eye on Oxfordshire's Facebook page for all the current news, and don't forget to email us with your current achievements and successes.

That leaves me to wish you all a very Merry Christmas and a Happy and safe New Year – Let's all hope that next year is a better one.

**31 Aug: Compak Sporting County Championship, Southdown Gun Club**

This Bank Holiday fixture was well supported, and resulted in an incredibly close finish. The top seven shooters all scored over 90/100. Tony Burt and Danny Smith tied for first place with 96/100, with Tony being awarded the title on countback. Compak is governed by FITASC rules, so Danny qualified as a Veteran for this event, beating Chip Smith by one target. Paul Poulter was fourth with 94. Glen Boxall and Alan Meager shared fifth with 92, and Sarah White took the Ladies Title with 91.

**6 Sep: Helice Surrey Championship, Invicta Gun Club**

Steve Cole continued his good form, winning with 17/20. Jensen King and Fergus Watson-Hopkinson kept the pressure on Steve with 16/20. Steve Also won the Veterans, Jensen the Juniors, and Jo Watson-Hopkinson added another Ladies title.

**18-20 Sep: FITASC County Championship, Southdown**

Another well-supported Championship and a new name on the Trophy! Jamie Passant led with 83 over four difficult layouts. Second and claiming the Veteran's title was Chip Smith with

81, while David Spackman and Michael Holmes tied for third with 78. Sarah White retained her Ladies Title with 72.

**27 Sep: English Sporting and Sportrap County Championships**

The Surrey Sporting shoot, delayed from its original date in March, was held concurrently with the Sportrap Championship at Southdown. Several Surrey shooters entered both Championships, so thank you all for your support of these events. In the English Sporting, Paul Finney won the County Championship with a good score of 89 over the 13 stand course. Second was Glen Boxall on 87, while Junior Billy Greenwood scored 86, placing him equal third with Alex Cobb. Chip Smith won the Veteran's title with 84, Sarah White won the Ladies class with 81, and winning his first Colt Champions Medal was Calum Cobb. In the Sportrap, Nick Carter won the Championship with a great score of 92, while just behind in second place was Sarah White with 88. This meant that Sarah retained her Ladies title in English Sporting, FITASC, Compak, and Sportrap. Tony Burt and Paul Poulter tied for third with 86, and Chip won another Veteran's title with 85. Billy Greenwood doubled up on the Junior wins with 83, and Calum Cobb added another Colts Medal.

**Surrey Juniors success**

Two Surrey Juniors won medals in the ISU Skeet category at the British Shooting Grand Festival. Maddy Boyd took the Gold and Owen Lewis won Bronze. Maddy then went on to the International Youth GP in Porpetto, Italy, and won the Bronze medal, missing out on another Gold by just one target. Well done to Maddy and Owen – we are sure to see much more of these two in our news section.

**Surrey Supreme**

With 14 points from the Sporting event, Glen Boxall has extended his points tally this month and now has an unassailable lead with 79 points. Andy Smith in second place has 60 points, and Peter Saich has moved into third with 43. Rachel Parish is leading the Ladies with 37, from Jo Watson-Hopkinson on 31.

**British Shooting Festival**

Well done to everyone who attended the British Shooting Festival at East Yorkshire and shot the Olympic Trap. It was a brilliant weekend with some brilliant shooting which ended in a dogfight for Gold between Pail Bailey and Keith White, with only a clay or two separating them all the way through. Gold deservedly went to Keith with Paul taking the Silver. Janice Barnett held her nerve to take Bronze medal, and fourth place went to George Glover.

**British Open Sporting**

It was good to see several entries in both

sitting and standing events at the British Open Sporting at Garlands. The Sportrap event was an extremely tough round, as was the qualifier. Some solid scores were put in on the Sportrap with Paul Bailey shooting top score during the week. The final day saw Adrian Last, Sam Nunn, and Mark Delf all shoot. Adrian couldn't catch Paul's score of 76, and Mark outshot Sam by six targets with an 82.

The finals day of 75 targets was a steadier round, but nerves clearly kicked in and would have an effect on the scores. Craig Marlow in the standing started really well, as did Tony Cox, however it was Mark Delf that dominated at the start.

Paul Bailey took an early lead on Adrian Last, and it was too much for Adrian to catch up. Paul took the Gold again in the standing category, with Adrian making do with a Silver medal.

The standing wasn't as cut and dry. Sam straightened one of the more difficult stands, stand four, whereas Mark dropped four, which meant Sam had taken a lead. They were taking targets off each other right through to the final stand.

Disabled Sitting and Standing finalists at the British Open.

The Stand was a three clay full use stand, which Mark, shooting in front of Sam, shot all three. Sam matched Mark which meant he took Gold by a single clay to win his first ever British Open Sporting title. Well done to those that entered the major events this year.

**CADtec3D**  
SGS-100 Fibre Optic Shotgun Sight

**This Sight has 3 very special attributes!**  
It will solve your cross eye dominance instantly!  
It will give you an effective gun mount thus improving your aim!  
It will never fall off your vent rib like some can and do!

5mm Dia Fibre Optic.  
Both RED and GREEN optics are supplied.

Fibre Optic release screw.

MACHINED IN THE UK

Sight Body: Machined from 6060 T6 Aluminium extrusion. Military protective finish to MIL-A8625 Type 2, Matt Black

This Sight will never fall off your Vent Rib! Sight is positively locked to Vent Rib by 4 Stainless Steel screws (2 each side). Sight body has special HeliCoil screw locking inserts fitted preventing screws working loose.

Sight Choke. Restricts the fibre optic aperture which increases optical and mechanical alignment accuracy.

**Eye Dominance Solved**

You will only ever see the fibre optic from the "correct" eye, irrespective of what your dominant eye is! The image left shows actual view from each eye when gun mounted on right shoulder. Left eye cannot see the Fibre Optic. Opposite happens if Gun mounted on left shoulder. Sight is ambidextrous. Please visit our website using the link below for a detailed technical explanation. If you have learned to cope being cross eye dominant by closing one eye, you have lost your peripheral vision and the ability only two eyes open will give you "speed and distance perception" which you must have for shooting moving targets!

**FITS ALL VENT RIBS**  
Choose your Vent Rib width from 3 size groups from 5mm to 12.7mm

**Only £49.99**  
excluding P&P

Insurance

Can you afford to pay for a damaged stock or barrel blowout?

It's a question we hope you never have to ask yourself but it is one that you should consider now, rather than after the event.

Many shooters rely on home insurance but the hard fact is that many home insurance products exclude guns from contents cover, whilst others may have restrictions in policy cover.

Premiums start from £35 a year (including IPT) for £1000 cover on guns and you can even extend cover to outside the UK. For CPSA and BASC members only.

We recommend that you take the time to consider what cover you have on your guns. To discuss your requirements or to request a free quote, please call Newmoon Insurance Services Ltd on:

## A SURREAL EXPERIENCE

2020 British Open English Sporting Champion, **David Ferriman**, talks about his win, and what contributed to his success.

### Q How did you first become involved in clay shooting?

**A:** My parents got me into shooting from a young age – my dad was an avid game shooter and used to take me with him which led me to want to have a go.

I had my first shooting lesson when I was seven and took it up more regularly from the age of about ten. I went on to enter Registered shoots at 13.

### Q Why did you pick sporting as your main discipline?

**A:** My home ground is Sporting Targets. They focus predominantly on Sporting, FITASC, and Sportrap disciplines, I loved the variety of targets.

### Q You've worked at Sporting Targets for a number of years now, how has your role changed over time?

**A:** I started as a lad on the ground filling traps, picking up cartridges etc. I then progressed in to the shop helping out with guns, cartridges and clothing sales on weekends.

When I left education, I started working full-time in the shop and I have now been the Shop Manager for the last two years.

### Q Do you feel that working in the industry has been a help or a hindrance to your success?

**A:** Working in the industry has both helped and hindered. Without working at Sporting Targets I would probably never of pursued competitive shooting in the manner that I have.

I have also met some great friends through the industry, and they have always pushed me to excel and helped where they could.

There is always a negative, which I found to be that spending all week at a shooting ground sometimes didn't give me the drive to go out and compete on my days

off. But that happens in every sport I would imagine.

### Q Why or how did you decide to enter the 2020 British Open Sporting?

**A:** I have shot it like all the other major comps for last God knows how many years, with the same bunch of friends.

To be honest, I had written off 2020 like most people, with all the other major shoots being cancelled or postponed. I wasn't even going to shoot it. If it wasn't for Andy Clifton, who kindly books me in to all of these shoot with him, I probably wouldn't have even gone, so I have to thank him for that!

### Q How did it feel to win, especially against such tough competition?

**A:** It was very surreal, I felt like I had walked in to the wrong room and I wasn't meant to be there!

I know I'm a very capable shot but never thought I'd make it to the super final alongside those big names. I especially didn't expect to beat them in a shoot off!

It was an amazing feeling and it will be a day I always cherish and remember.

I had written off 2020 like most people

All photos taken by Simon Finlay at the 2020 British Open English Sporting.

### Q Is there anything in particular you feel contributed to this success?

**A:** I would love to say regular practice but it certainly wasn't that. I have done very little shooting over the last 18 months, and I just went to enjoy it. I didn't expect too much so I was relaxed and just kept going. It was a good weekend and I think someone must have been looking down on me.

### Q What are your goals for the next 12 months?

**A:** I aim to compete in as many major competitions as possible. You never know 2021 might be an even bigger and better year.

### Q Is there anything else you would like to add?

**A:** I would just like to thank a few people who have always supported me. Ed Solomons has been a long time friend, coaching me for a number of years pushing me all the way.

Andrew Clifton of Sporting Targets – another long time friend who has taken me all over the country to shoot.

Last but not least my number one fan, Vicky, who is always there to kick me into gear when I get a strop on, and pick me up when it doesn't go to plan! 🍀
