

DTL Masterclass sponsored by:

Corsivia Clays; Eley Cartridges and Holmes Chapel Shooting Ground

The event will be held at the excellent

Holmes Chapel Shooting Ground

Primrose Farm
Broad Lane
Holmes Chapel
Crewe
Cheshire, CW4 7LU

On **Saturday 1 February 2025**

Delivered by CPSA Senior Coach and current England DTL Team member/previous England DTL Team captain, Lee Wilcoxson.

The day is primarily designed around B and C class shooters who are looking to make improvements to technique and increase consistency within their shooting. There are 10 places available (2 squads), 1 squad session in the morning and 1 squad session in the afternoon. This format will enable Lee to spend coaching time with each shooter offering support whilst experiencing the usual format of a DTL squad. Each session will start with registration and a short briefing about the format with shooting starting directly after. Lee will put each squad through their paces, addressing aspects of DTL including gun hold, foot position, target acquisition and shot routine.

The cost of the session is £30 per shooter and will include some Eley cartridges for you to use on the day.

Food and drink will be available at the ground.

To register your interest please text or ring 07484 514650 or email amosdavid@btconnect.com
