# Welcome!

We are delighted to welcome you to the 2018 CPSA World English Sporting Championships, being held for the third successive time at the superb facilities of E.J. Churchill Shooting Ground and West Wycombe Estate.

As 2018 marks the 90th anniversary of the Clay Pigeon Shooting Association, it is fitting that we are hosting our biggest ever festival of shooting attracting shooters from round the world.

With this event continuing to grow every time it is held on home soil, we are committed to improving on the already high standard that has been set. Our thanks must go to Sir Edward Dashwood for allowing us to use the grounds and to Rob Fenwick and his team and George Digweed MBE for the immense amount of hard work and planning that has been invested again this year, alongside the CPSA team.

We were all thrilled to see the response as soon as entries opened in December last year and as a result we now have a full week-long schedule for this festival of shooting and this is sure to be a memorable week for our sport.

Without the support of our sponsors events like this would not be possible and we would like to take a moment to thank all existing and new sponsors and partners for their investment too. Longthorne Gunmakers are a new sponsor and our headline gun partner. Gamebore cartridges is a renowned name in British shooting and their support is greatly valued by us all.

Promatic also makes significant investment in CPSA Championships and are a vital cog in the smooth running of the event and we are delighted to have secured their support with traps in service across the estate for all competitions. Working in tandem with CCI clays, another outstanding British manufacturer – minimal breakages mean fewer hold ups and we know we can rely on CCI clays when it matters most at the big competitions.

Finally, we would like to wish everyone an enjoyable, successful and memorable Championship week, we look forward to seeing you all there!

**Terry Bobbett**, Chairman

# Welcome to the CPSA Worlds at E.J. Churchill

E. J. Churchill welcomes you all on to our Shooting Ground and the West Wycombe Estate. We are very proud once more to be hosting this amazing festival of shooting with the highlight being the CPSA World English Sporting Championships. This is a wonderful opportunity for everyone to compete at the highest level. Our team have worked tirelessly on making sure this year's event is bigger and better than ever and we do hope you enjoy all the shooting that we have put on. It is the first time that George Digweed MBE, now part of the E. J. Churchill team, has ever set a World Championship course. We are delighted to have him on board and we have put his amazing knowledge and experience from over four decades of shooting at World events to use. He has set a wonderful mix of targets which will be enjoyable for every shooter, whatever your ability.

We must thank everyone involved with the event and especially all at E.J. Churchill who have worked non-stop for many months to make this a world class experience and to show off the Estate, Shooting Ground and the E.J. Churchill Event Village at its very best. We would also like to thank our sponsors and long-standing partners of E.J. Churchill, without whom this event would not be possible. Specifically, Promatic for providing all the traps, CCI for their support with the clays, Polaris who provide all the buggies for the support team and Toyota who provide the stunning vehicles to transport all the competitors.

We wish you all the very best, please enjoy every minute and shoot straight.

**Sir Edward Dashwood Bt. – Chairman**

**Rob Fenwick – Managing Director**

## The CPSA World English Sporting Championships is getting even bigger this year, with over 1,400 entries.

Planned by E.J. Churchill's Global Shooting Ambassador George Digweed MBE, the course is divided into two – red and blue. Each course features 100 targets designed to test your shooting ability. Each day you will shoot the courses at the same time – for example if you start at 9:00 on the Tuesday, you will do the same on the Wednesday. As is now customary for CPSA Sporting shoots, everyone will start on stand one and work their way around the course with the rest of the six-person squad. We ask that you please get to stand one with plenty of spare time in case we are running early.

There has been a high demand to shoot this Championship and over 1,400 people will take to the World English Sporting course over three sets of rotations across the week. Broken down over Tuesday

/Wednesday, Thursday /Friday and Saturday / Sunday, there are two squads starting at the same time on each course.

On the Sunday afternoon there will be a six-person Super Final to decide the overall World Champion. The Super Final will consist of the top six shooters from the six days of shooting and will be a 25 target shoot-off held in front of the glorious backdrop of the West Wycombe Estate. Scores from the main event will be carried into the Super Final, with shoot offs to decide the six places – and to decide any other ties for prizes – taking place beforehand. Please refer to the programme of events on page 10 for information regarding shoot offs and prize giving in the World Sportap, FITASC Sporting and English Prelim Sporting.
